

European Society for Dermatology and Psychiatry

Sunday, February 28, 2010

Dear Members,

Some days ago you received a letter from me through the EADV about the Psychodermatology Training Course which will be held in Brussels from 15 to 18 July 2010.

I want to add to this invitation that the Executive Committee of the ESDaP has generously decided to pay two application fees for our members. This is an offer on a *"first come- first served"* basis . The fees shall be reimbursed during the training.

Moreover, three prizes for the best participants shall be awarded at the end of the training.

I therefore invite you to apply as soon as possible for this course, which will prove an unique occasion to benefit of an education given by very experienced teachers. You will have the opportunity to discuss with them the difficult cases you encounter in your practice. And you will also meet other practitioners interested in psychodermatology.

Please find enclosed the course program as well as the application form. These forms – as well as any further information - are also available on the website www.eadv.org. (<http://www.eadv.org/fostering-courses/focus-update-for-specialists/training-course-psychodermatology-brussels>)

For any further queries do contact our secretary at secretary@psychodermatology.net .

Looking forward to meeting you in Brussels this summer,

Francoise Poot

ESDaP President
